On every Wednesday afternoon is an exercise in Declamation, in which all the classes take part. Seniors deliver original essays.

On every Thursday afternoon is a Bible exercise in the Freshman, Sophomore and Junior Classes. For the Freshman year, the recitations are in the Historical Books of the Bible; for the Sophomore year in the Prophetical Books and the Greek Testament; and for the Junior year in the Doctrinal Books. These recitations are accompanied by Familiar Lectures from the Instructors.

In the preceding statement, the simple aim has been to present a very brief and distinct view of the course; one which should contain only what is actually done, and be *comprehended* at a glance.—It may be proper to add, that the system of instruction comprises *six principal Departments;* viz. Classical Languages and Literature,—Mathematics and Natural Philosophy,—Chemistry, Natural History, and Anatomy,—Rhetoric and Oratory,—Intellectual, Moral and Political Philosophy,—Practical Theology and Personal Religion. Each of these departments is under the care of one responsible head, a permanent officer of the College. This officer does not give personally all the instruction in his department; but he oversees and directs the whole, and receives such aid from other officers as may be needed in conducting the several branches of study and instruction committed to his responsibility.

EXAMINATIONS.

1. Of all Classes, at the close of the first and second Terms.
2. Of the Senior Class, four weeks preceding Commencement.
3. Of the three lower Classes, on the week preceding Commencement.

PUBLIC PERFORMANCES.

1. Exhibitions, in the second and third terms.
2. Declamations, on the evening preceding Commencement.
3. Commencement, on the fourth Wednesday of August.

VACATIONS.

1. Six weeks from the fourth Wednesday of August.
2. Two weeks from the second Wednesday of January.
3. Four weeks from the first Wednesday of May.

ADMISSION.

Preparatory Studies. For admission to the Freshman Class, the following Studies are required; Cicero's Select Orations, Leverett's Latin Tutor, Virgil, Sallust or Cæsar's Commentaries, Jacob's Greek Reader and the Four Gospels in Greek, or Græca Minora and the Greek Testament, Geography,

English Grammar, and Arithmetic.—For any higher standing, the same, and also the part of the Course gone over by the Class, to which the candidate wishes admission.

Proper time of Entrance. Candidates for admission are examined on Tuesday, the day preceding Commencement, and on Wednesday, the first day of the following Term.

Testimonials. The candidate for admission to College, previous to his examination, must produce satisfactory evidence that he sustains a fair moral character, and that he has completed the part of the course preparatory to the standing for which he has offered. If he is been a member of another College, a certificate of regular dismission will also be required.

Age. No one is admissible to the Freshman class, until he has completed his fourteenth year; nor to an advanced standing, without a corresponding increase of age.

Payments. The amount of the first Term Bill must be paid by each student on his admission; each subsequent Term Bill becomes due at the close of the term for which it is assessed. If the student enters in advance, five dollars per Term, which is one half of the regular charge for Tuition, will be required, unless such standing shall have been obtained in another College. A bond in the sum of one hundred dollars for the payment of College Bills, must be given within one Term after admission. The Tuition of beneficiaries of Charitable Associations and other indigent pious youth preparing for the Christian Ministry, is wholly, or nearly paid from the fund appropriated to that purpose. About thirty-five indigent students are gratuitously supplied with furniture; and various articles of clothing, furnished from time to time by the benevolent, are gratuitously distributed.

Laws. Each student on admission receives a copy of the Laws of College and is constituted a member of College by signing a promise to conform to the Laws, and the regulations of the Institution.

EXPENSES.

These will vary with the circumstances and habits of the student. The following are the principal necessary expenses, exclusive of vacations.

Tuition, $10.00 per term,	$30.00	$30.00
Other College Charges, $5.00 do	15.00	15.00
Board, from $1.00 to $1.50 per week,	41.00 to	62.00
Fuel and Light from 8 to $10.00 per year,	8.00 —	10.00
Washing from 12 to 20 cts. per week,	5.00 —	8.00
Amount per year,	$99.00 to	125.00

The expense for books is comparatively trifling, if the student, as he may generally do, purchases at second hand, and sells them when he has completed the study of them.—In other incidental expenses, if the parent or guardian furnishes money, or authorises the contracting of debts, a student may be very extravagant. To guard against this, parents often deposit funds with some one approved by the Faculty, who for a trifling charge will give particular attention to the pecuniary affairs of the student, and render an account of expenditures.

It is earnestly recommended to all parents and guardians not to authorize the obtaining of credit, and not to pay debts unauthorized.
